**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Board of Directors  
St. John's Hospice

**Opinion**

We have audited the financial statements of St. John's Hospice (the "Entity"), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as of June 30, 2022 and 2021, and the results of its activities and changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for opinion**

We conducted our audits of the financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Entity and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Entity's ability to continue as a going concern for one year after the date the financial statements are issued.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Entity's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matters**

*Supplementary information*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of revenue and operating expenses for the year ended June 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements.

Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## St. John's Hospice

### NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

#### NOTE A - ORGANIZATION

In existence since 1963, the Saint John's Hospice and Good Shepherd Programs provide support for thousands of homeless men each year. Services to residents and visiting clients include hot meals, case management, food, clothing, showers, medical and psychological care, social services, and a stable mailing address. Incorporated in July of 2015, the Saint John's and Good Shepherd Programs (collectively, "St. John's Hospice") is a separate 501(c)(3) organization of the Archdiocese of Philadelphia.

Catholic Charities of the Archdiocese of Philadelphia, operating as Catholic Social Services of the Archdiocese of Philadelphia ("CSS") established in 1919, is a multi-faceted social services organization whose departments offer a wide range of services to meet the needs of children, adults and families including adoption and foster care programs. CSS functions as a self-contained entity and maintains separate financial statements for each of its operations. St. John's Hospice is one of the organizations.

The accompanying financial statements include programs operated and administered by St. John's Hospice.

The Archdiocese of Philadelphia (the "Archdiocese") was proclaimed a Catholic diocese in 1808 and raised to an Archdiocese in 1875. The Archdiocese oversees the activities of the Roman Catholic Church (the "Church") for the five counties of Philadelphia, Bucks, Chester, Delaware and Montgomery in the southeastern part of the Commonwealth of Pennsylvania and is operated in accordance with the provisions of the 1983 Code of Canon Law, as amended, of the Church. St. John's Hospice, which is related, is operated separately and distinctly from the Archdiocese.

Catholic Charities Appeal, a separate legal corporation and a related organization, raises money for certain organizations within the Archdiocese, including St. John's Hospice.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### ***Basis of Presentation***

The accompanying financial statements have been prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). St. John's Hospice presents its financial statements in accordance with the guidance set forth by the Financial Accounting Standards Board ("FASB") in regard to *Financial Statements of Not-for-Profit Organizations*. Accordingly, St. John's Hospice's net assets and its revenues, expenses, gains and losses are classified into two categories, based on the existence or absence of donor-imposed restrictions.

Net assets without donor restrictions are not subject to donor-imposed restrictions and may be designated for specific purposes by action of the Board of Directors.

Net assets with donor restrictions include contributions, including pledges, trusts, remainder interests, income and appreciation, which can be expended but for which restrictions have not yet been met, or which are required by donors to be perpetually retained. Such restrictions include purpose restrictions where donors have specified the purpose for which the net assets are to be spent, or time restrictions imposed by donors or implied by the nature of the gift. St. John's Hospice has no net assets with donor restrictions as of June 30, 2022 and 2021.

## St. John's Hospice

### NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2022 and 2021

#### ***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The most significant management estimates and assumptions include the allowance for doubtful accounts, useful lives of depreciable assets and the fair values of investments. Actual results could differ from those estimates.

#### ***Accounting for Long-lived Assets***

St. John's Hospice continually evaluates whether events and circumstances have occurred that indicate the remaining estimated useful life of long-lived assets may warrant revision or that the remaining balance may not be recoverable. When factors indicate that long-lived assets should be evaluated for possible impairment, St. John's Hospice uses an estimate of the related undiscounted operating income over the remaining life of the long-lived asset in measuring whether the long-lived asset is recoverable. The impairment loss on these assets is measured as the excess of the carrying amount of the asset over its fair value. Fair value is based on market prices where available, or discounted cash flows. St. John's Hospice believes that no revision to the remaining useful lives or write-down of long-lived assets were required at June 30, 2022 and 2021.

#### ***Client Escrow Funds***

St. John's Hospice acts as trustee over funds held for its residents. Expenditures of resident funds are authorized by the residents or their families. Generally, the funds are used to cover the costs of personal items that are not covered by the daily general service charge or special charges. These funds are returned to the resident, family or estate upon discharge or death.

#### ***Investments***

SEI, a provider of institutional asset management services, created two publicly traded Catholic Values mutual funds: the Catholic Values Equity Fund and the Catholic Values Fixed Income Fund (the "Catholic Values Funds"), which provide Catholic institutions with high-quality investment products that align with their core values, without sacrificing diversification or return potential. Specifically, the Catholic Values Funds align with the investment directives set forth by the United States Conference of Catholic Bishops ("USCCB"). The Archdiocese appointed SEI Private Trust Company to act as custodian (the "Custodian") of the investments, which consist of certain cash and securities and are more fully described in Note C.

Investments are reported at fair value. Realized gains and losses are included in the statements of activities as a component of investment return.

#### ***Governmental Revenue***

St. John's Hospice receives its funding through contracts with various City of Philadelphia governmental departments. These contracts/agreements generally fall into two categories: cost reimbursement and fee-for-service. The ultimate determination of amounts reimbursable under cost reimbursement contracts/agreements is based upon allowable costs to be reported and subject to audit by grantors and/or their agents.

## St. John's Hospice

### NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2022 and 2021

Net program service revenues are from funding sources under cost reimbursement-type contracts for several of St. John's Hospice's programs. St. John's Hospice records revenues under such contracts as costs are incurred. For other programs, St. John's Hospice receives program service fees from funding sources under per diem-type contracts for certain programs and unit prices for outpatient services. Revenue for these programs is recorded when the services are provided. Retroactive adjustments are recorded in the period that final settlements are determined.

St. John's Hospice is subject to numerous laws and regulations of federal, state, and local governments. Compliance with these laws and regulations can be subject to government review and interpretation, as well as regulatory actions unknown and unasserted at this time. Government activity in the health care industry has increased with respect to investigations and allegations concerning possible violations of regulations by health care providers, which could result in the imposition of significant fines and penalties, as well as significant repayments of previously billed and collected revenues of client services. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount in the near term. Management believes that it is in compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegations of potential wrongdoing.

#### **Contributions**

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, St. John's Hospice reports the support as without donor restrictions. When a stipulated time restriction or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributions of long-lived assets received without donor stipulations are reported as revenue without donor restrictions at the fair value of the date of the gift. Contributions of other assets specified for the acquisition or construction of long-lived assets are reported as support with donor restrictions; those restrictions expire when the assets are placed in service.

Unconditional promises to give ("pledges") are recorded as receivables and revenues within the appropriate net asset category, all of which will be collected within one year.

#### **Allowance for Doubtful Accounts**

St. John's Hospice continually monitors accounts receivable for collectability issues. The allowance is based upon management's judgment and is determined by considering a number of factors, including the length of time accounts receivable are past due, St. John's Hospice's previous loss history, the nature of the service provided and other pertinent factors. St. John's Hospice writes off accounts receivable when they become uncollectible, and payments subsequently received on such receivables are credited to the allowance for doubtful accounts.

#### **Allocated Expenses - Archdiocese of Philadelphia - Catholic Social Services**

CSS provides administrative and accounting services for institutions and group homes, including St. John's Hospice. The total expenses incurred by CSS in providing services are accumulated and allocated on a pro rata basis to the institutions and group homes. The allocated amount is reported as an administrative and general expense in the statements of activities. Any difference between the allocation and the amount charged to the institutions and group homes during the year is considered a contribution of services from CSS.

**St. John's Hospice**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2022 and 2021**

***Property, Plant and Equipment***

Buildings, building improvements and equipment are capitalized at cost or at their fair market value if donated. Depreciation for fixed assets is computed on a straight-line basis over the estimated useful lives of the assets, which are as follows:

Building	20 years
Building improvements	20 years
Equipment	3 - 5 years

***Risks and Uncertainties***

In March 2020, the World Health Organization declared COVID-19, the disease caused by the novel coronavirus, a pandemic, which started to and continues to spread throughout the United States of America. The primary focus as the effects of COVID-19 began to affect St. John's Hospice was the health and safety of the consumers in its care and employees. St. John's Hospice implemented various measures to provide the safest possible environment within its facilities during this pandemic and will continue to do so. Additionally, in response to the pandemic, St. John's Hospice incurred additional costs for testing, personal protective equipment, third party contract services and other operating costs associated with ensuring consumer and employee safety while operating during a pandemic.

Consumer volumes were reduced as various COVID-19 policies were implemented by St. John's Hospice and federal, state and local governments. The lunch program was shifted from in-person dining to a boxed, grab-and-go lunch. Referrals from the City of Philadelphia reduced significantly. Limited capacity, lunch time, in-person dining has resumed, and the City of Philadelphia referrals have increased slightly.

The impact of the COVID-19 pandemic did not have a material effect on St. John's Hospice financial results during the years ended June 30, 2022 and 2021. Management continues to actively monitor the effect of COVID-19 to operating revenues and expenses and based on the continuing uncertainties of COVID-19, it is unable to determine if it will have a material impact on its operations for the year ending June 30, 2023.

St. John's Hospice has begun to see increases to its consumer volumes; however, volumes have not returned to pre-pandemic levels. Management believes that the adverse impact that COVID-19 will have on its future operations and financial results will depend upon many factors, most of which are beyond management's capability to control or predict.

St. John's Hospice

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2022 and 2021

**Liquidity and Availability of Resources**

Financial assets available for general expenditure, all of which are classified as net assets without donor restrictions, within one year of the statement of financial position date consist of the following:

	June 30,	
	2022	2021
Cash	\$ -	\$ 4,712
Accounts receivable - City of Philadelphia	132,626	158,354
Investments	5,134,170	6,067,657
Assets available to management	5,266,796	6,230,723
Liabilities to be settled within one year		
Accounts payable and accrued expenses	(67,880)	(86,078)
Salaries and wages payable	(68,805)	(62,846)
Due to CSS	(2,369,045)	(1,933,036)
Assets available to management less liabilities to be settled within one year	\$ 2,761,066	\$ 4,148,763

CSS provides cash management services for St. John's Hospice, which includes the receipt of program revenues and payments of operating expenses. The cash activity is recorded through due to CSS, which is settle periodically.

**Pending Accounting Pronouncements**

In February 2016, the FASB issued ASU 2016-02, Leases, which requires that most leased assets be recognized on the balance sheet as assets and liabilities for the rights and obligations created by these leases. ASU 2016-02, as amended, is effective for fiscal years beginning after December 15, 2021. An entity is required to apply the amendments in ASU 2016-02 under the modified retrospective transition approach. This approach includes a number of optional practical expedients, which are described in the final standard. Under these practical expedients, an organization will continue to account for leases that commence before the effective date in accordance with current U.S. GAAP, unless the lease is modified. However, lessees are required to recognize on the balance sheet leased assets and liabilities for operating leases at each reporting date. St. John's Hospice is assessing the impact of the new standard and its amendments at this time.

**NOTE C - INVESTMENTS**

The investment in the Trustee Account and other investments are reported at fair value and consist of the following:

*Catholic Values Equity Fund (or "fund")* - Invests in common stocks and is managed by SEI. The equity fund is valued at the closing price of the traded fund.

*Catholic Values Fixed Income Fund (or "fund")* - Invests in mutual funds, corporate obligations, United States Treasury obligations and municipal obligations and is managed by SEI. The fixed income fund is valued at the closing price of the traded fund.

**St. John's Hospice**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2022 and 2021**

Account holders have the option of six asset classifications in which to invest. The options include a short-duration U.S. government bond fund, a 100% fixed income bond fund and four equity funds with varying fixed income to equity mixes of 30/70, 50/50, 60/40 or 70/30. The Investment Committee of the Archdiocese has primary responsibility for determining fixed income to equity mix. The asset mix of the mutual funds is SEI's responsibility. Management of the Archdiocese is responsible for ensuring that asset investment allocations among the funds are maintained as determined by the Investment Committee of the Archdiocese of Philadelphia.

At June 30, 2022 and 2021, all investments are considered without donor restrictions.

At June 30, St. John's Hospice held the following categories of investments:

	2022	2021
Catholic Values Equity Fund	\$ 3,576,400	\$ 4,303,995
Catholic Values Fixed Income Fund	1,557,830	1,763,662
	\$ 5,134,170	\$ 6,067,657

Investment return is comprised of the following for the years ended June 30:

	2022	2021
Dividends and interest income	\$ 687,930	\$ 180,039
Changes in unrealized (losses) gains on investments	(1,621,417)	1,274,255
Investment return	\$ (933,487)	\$ 1,454,294

**NOTE D - PROPERTY, PLANT AND EQUIPMENT**

Property, plant and equipment and accumulated depreciation consist of the following at June 30:

	2022	2021
Buildings	\$ 71,800	\$ 71,801
Automobiles	103,753	103,753
Building improvements	883,066	724,034
Equipment	127,642	80,586
	1,186,261	980,174
Accumulated depreciation	(432,214)	(344,397)
Property, plant and equipment, net	\$ 754,047	\$ 635,777

Depreciation expense was \$87,817 and \$65,910 for the years ended June 30, 2022 and 2021, respectively, and is included within administrative and general expenses in the statements of activities.

**St. John's Hospice**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2022 and 2021**

**NOTE E - ACCOUNTS RECEIVABLE - GOVERNMENTAL AGENCIES**

At June 30, 2022 and 2021, St. John's Hospice had uncollateralized accounts receivable from City of Philadelphia contracts of \$132,626 and \$158,354, respectively. These balances potentially subject St. John's Hospice to a concentration of credit risk. St. John's Hospice monitors its funding arrangements with the City of Philadelphia.

**NOTE F - FAIR VALUE MEASUREMENTS**

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a single authoritative definition of fair value, sets a framework for measuring fair value, and requires additional disclosures about fair value measurements. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Quoted prices in active markets for identical assets or liabilities as of the measurement date.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the same term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Fair value calculations may not be indicative of net realizable value or reflective of future fair values. Furthermore, although St. John's Hospice believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the fair values of the investments held by St. John's Hospice by level within the fair value hierarchy, as of June 30:

<u>2022</u>	<u>Quoted Prices in Active Markets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>	<u>Total Fair Value</u>
Assets				
Investments	\$ 5,134,170	\$ -	\$ -	\$ 5,134,170
Total assets	<u>\$ 5,134,170</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,134,170</u>

**St. John's Hospice**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2022 and 2021**

<u>2021</u>	Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
<b>Assets</b>

During the fiscal years ended June 30, 2022 and 2021, no investments were transferred between Levels 1, 2 or 3.

**NOTE G - LOAN PAYABLE**

On April 20, 2020, St. John's Hospice was granted a loan (the "Loan") from a lender in the amount of \$501,950, pursuant to the Paycheck Protection Program ("PPP"), under Division A, Title I of the Coronavirus Aid, Relief and Economic Security Act which was enacted March 27, 2020. The PPP provides loans to qualifying businesses for amounts up to 2.5 times the average monthly payroll expenses of the qualifying business. Entities receiving these funds can request for the loan to be forgiven in its entirety assuming the proceeds have been used as outlined in the guidelines. St. John's Hospice used the entire amount of the loan for qualifying expenses with the intent of applying for forgiveness of a substantial amount of the loan. The loan was forgiven by the Small Business Administration ("SBA") in 2021 and is recorded as revenue on the statement of activities and changes in net assets for the year ended June 30, 2021.

**NOTE H - PENSION PLANS**

***Lay Employees' Retirement Plan - Frozen Effective June 30, 2014***

Through June 30, 2014, the eligible lay employees of St. John's Hospice were covered under the Archdiocese of Philadelphia Lay Employees' Retirement Plan (the "Plan"), which is a defined benefit pension plan covering substantially all lay employees of the Archdiocese, based on age and service requirements. The Plan is administered by the Trustees of the Plan. St. John's Hospice made annual contributions to the Plan at a rate of 5.9% of the salaries of eligible employees for both years ended June 30, 2022 and 2021. The amount expensed by St. John's Hospice for contributions to the Plan were \$55,066 and \$55,123 for the years ended June 30, 2022 and 2021, respectively. Separate accounts for vested benefits and pension fund assets are not maintained for each institution.

On November 5, 2013, the Archdiocese of Philadelphia Office for Financial Services ("OFS") announced that it would freeze the Plan effective June 30, 2014. All current employees at the time of the announced freeze retained benefits they had earned and continued to accrue benefits through the effective date. After the effective date, accrued pension benefits under the Plan do not increase for current employees for additional service or increases in pay after the freeze date.

***Archdiocese of Philadelphia 403(b) Retirement Plan***

The Archdiocese established a 403(b) defined contribution plan. Under the 403(b) plan, and subject to statutory limits, all employees at least 18 years of age are immediately eligible to make voluntary deferred salary contributions into the 403(b) plan.

**St. John's Hospice**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2022 and 2021**

Employer contributions, which cover employees meeting the eligibility requirements below, are discretionary. The following are the eligibility requirements for the employer contributions:

*Grandfathered Employees* - Any employee who was accruing benefits as an active participant in the Plan as of its freeze date of June 30, 2014 is a grandfathered employee and will be eligible to receive employer contributions beginning with the first payroll on or after September 1, 2014.

*Non-Grandfathered Employees* - Non-grandfathered employees are eligible to receive the employer contribution beginning with the first payroll coinciding with or immediately following the completion of 1,000 hours of service during the 18-month period beginning July 1, 2014 through December 31, 2015. The employee must also have attained at least 18 years of age to be eligible. For a non-grandfathered employee hired prior to July 1, 2014 who does not meet the eligibility requirements for an employer contribution in the time frame described above, the period for determining whether or not one meets the 1,000 hour service requirement will shift to the calendar year beginning January 1, 2016.

*Vesting* - Vesting in employer contributions to a 403(b) plan account will be immediate for any grandfathered employee who has completed 12 months of service as of June 30, 2014. Vesting in employer contributions for all other employees will take place after the completion of 12 months of service.

In fiscal years 2022 and 2021, the Archdiocese employer contribution rate was 4.9% of base salary for eligible employees. The contributions by St. John's Hospice into the 403(b) plan totaled \$41,999 and \$42,043 for the years ended June 30, 2022 and 2021, respectively.

**NOTE I - RELATED-PARTY TRANSACTIONS**

St. John's Hospice leases certain facilities and equipment, utilized in the delivery of its services, from the Archdiocese and is covered under various insurance and retirement plans administered by the Archdiocese.

CSS provides administrative and accounting services for related institutions and group homes, including St. John's Hospice. The total expenses incurred by CSS in providing services are accumulated and allocated on a pro rata basis to the institutions and group homes. The allocated amount is reported as an administrative and general expense in the statements of activities. Any difference between the allocation and the amount charged to the institution during the year is considered a contribution of services from CSS. CSS also manages the cash receipts and cash disbursements for related institutions and group homes, including St. John's Hospice. Net amounts due to/from CSS attributable to administrative and cash management activities, which are non-interest bearing, are generally settled on an annual basis. The amount due to CSS was \$2,369,045 and \$1,933,036 for the years ended June 30, 2022 and 2021, respectively.

**St. John's Hospice**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2022 and 2021**

The transactions with the Archdiocese and CSS charged to expense for the fiscal years ended June 30 were as follows:

	<u>2022</u>	<u>2021</u>
Archdiocese of Philadelphia		
Insurance - auto and general	\$ 12,830	\$ 11,772
Lay employee pension contributions	55,066	55,123
	<u>\$ 67,896</u>	<u>\$ 66,895</u>
Catholic Social Services		
Allocated administrative and accounting costs	\$ 80,396	\$ 76,165
Information technology services	32,560	31,240
	<u>\$ 112,956</u>	<u>\$ 107,405</u>

Catholic Charities Appeal donated \$25,000 to St. John's Hospice during the fiscal years ended June 30, 2022 and 2021.

Related-party amounts due to Catholic Housing and Community Services are included as a component of accounts payable and accrued expenses in the statements of financial position and totaled \$7,761 and \$6,740 at June 30, 2022 and 2021, respectively.

**NOTE J - INCOME TAX STATUS**

St. John's Hospice follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged.

St. John's Hospice is exempt from federal income tax under Internal Revenue Code ("Code") section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. St. John's Hospice has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. St. John's Hospice has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.
